

# Syracuse Public Library Application for Homebound Library Service

The Homebound Delivery Program is a service to provide library materials to residents of Turkey Creek Township who are unable to come to the library.

To be eligible for the service you must be a Turkey Creek Township resident and unable to come to the library due to a permanent condition, or a temporary condition that will last for six weeks or more. For example, you are no longer able to drive, have mobility problems, require extended bed rest, or have an injury which prevents you from traveling.

You may remain in the program for as long as you need the service. A library staff member will visit homebound residents on a schedule to deliver, pick up, and return library materials. Library staff will make selections based on preferences previously indicated or selected by you via Evergreen Indiana.
